

PRESSOL

The professional battery grease gun.
Heavy Duty, exceptional performance.

PROFESSIONAL BATTERY GREASE GUN

20 V/2.0 Ah

- Compact design for heavy duty applications
- Integrated display with grease flow meter, battery charge indicator and indication of grease delivery (L-H)
- Max. Pressure: 680 bar / 10.000 psi
- LED-Light
- 2 × Lithium-Ion Batteries 20 V / 2.0 Ah
- 1 × Quick Charger
- 1 x Carrying strap

1 ×  =  25 CARTRIDGES

PROFESSIONAL BATTERY GREASE GUN 20 V/2.0 Ah

Art. No. 18 051

Display blinks red in the event of counter pressure or when the power consumption is too high. Alarm in the event of grease leakage – Grease volume meter remains unchanged.

HEAVY-DUTY

Compact, stable and ergonomic design

TECHNICAL DATA

Operating pressure max. (bar/psi): 400 bar/5.800 psi

Maximum pressure (bar/psi): 680 bar/10.000 psi

Refilling options: 400 g grease cartridge DIN 1284, grease filling system or loose grease

KIT CONTENT

Carrying case – 1 x High-pressure hose with anti-kink spring 11 x 1000 mm 1 x Precision Coupler – 2 x Lithium-ion 20 V/2.0 Ah batteries – 1 x Battery charger (230 V) – 1 x Carrying strap

SPECIFICATIONS

- Integrated display with grease flow meter, battery charge indicator and indication of grease delivery (L-H)
- Adjustable grease delivery (L - H)
- Lithium-ion battery 20 V/2.0 Ah can empty up to 25 cartridges per battery charge. With 100 bar back pressure up to 7 cartridges.
- Venting over venting valve or quick and easy screwing-in by 1,5 turns of the tube
- Refilling with loose grease over filling nipple
- Optimum localisation of the lubrication area by LED light, e.g. in case of difficult to access grease nipples or poor lighting conditions
- Support foot for easy handling, stable support
- Anti-kink springs prevent kinks in the hose and extend its service life

OPTIONAL ACCESSORIES

20 V / 4.0 Ah rechargeable battery

Art.-Nr. 18 051 101

Lithium-ion battery 20 V/4.0 Ah can empty up to 50 cartridges per battery charge. With 100 bar back pressure up to 15 cartridges.

18 051 400

Adapter kit-400 g screw-in cartridge with blind screws, grease gun tube and adapter

18 051 401

Adapter kit-500 g screw-in cartridge with blind screws and adapter

Adapter can be used from battery grease gun (18051) with serial number: 200310XXXX (year/month/day/xxxx)
